Market Dynamics:

The pharma and healthcare sector has significantly advanced in the recent years and is expected to register steady revenue growth over the forecast period owing to rapid innovations in medical technology, increasing investments, rising healthcare expenditure and high adoption of advanced products and systems. Factors such as rising prevalence of chronic diseases such as diabetes, cancer, cardiovascular diseases, and neurological disorders across the globe, rising cases of coronavirus, improving healthcare infrastructure and research facilities, and increasing adoption of remote patient monitoring services and home care settings are expected to fuel global market revenue growth over the forecast period. In addition, increasing number of hospitals and ambulatory care centers worldwide, high demand for personalized medicine, increasing investments in drug discovery and growing investments by public and private sectors are expected to drive global market growth in the coming years.

Competitive Landscape:

The report also focuses on details of each market player including its global position, financial standing, revenue generation, company overview, product & service portfolio. The Colorectal Cancer market is extremely competitive and consists of several key players at regional and global level. Key players are focused on adopting various strategies such as new product launches, mergers and acquisitions, investments in R&D, partnerships, joint ventures and collaborations to strengthen their market position and enhance product portfolio.

Leading companies operating in the market are:

Abbott Laboratories
Amgen Inc.
Clinical Genomics
EDP Biotech
Epigenomics AG
Hoffmann-La Roche AG
Novigenix SA
Quest Diagnostics
Sanofi SA
Siemens Healthineers
VolitionRX
