

Jill Krutick Fine Art Gallery to Open Exquisite Corpse Exhibition

*In Partnership with SHIM Art Network
Featuring Four SHIM Exhibition Groups
and Over 200 Artists From Around the
World*

MAMARONECK, NY, USA, August 15, 2022 /EINPresswire.com/ -- Jill Krutick Fine Art Gallery is delighted to announce the upcoming opening of a major exhibition, "Exquisite Corpse" on September 10, 2022 in partnership with SHIM Art Network, an artist networking and exhibition company. The gallery will be featuring over 200 artists from around the world who have participated in one of five collaborative exquisite corpse projects. Each construction involves 40 pieces of uniquely-made artwork that visually connect to create a larger body of work. The theme pulls inspiration from how an ecosystem functions:

fundamentally individualistic yet synchronous as a whole. The opening reception for the exhibition will be held September 10, 2022 from 4 to 6 P.M. and the show will be on view at Jill Krutick Fine Art Gallery, located at 425 Mount Pleasant Ave. Mamaroneck, NY 10543 for one month. An online exhibition of the work will be available on Artsy.net. The exquisite corpse projects are currently on view in a printed form at Spazio SV (@spazio_sv), a gallery in Venice that showcased the work during the summer 2022 Venice Biennale.

The participating artists are members of [SHIM exhibition groups](#):
