Dyno aims to provide genuine value for the money. Professional standards and the most efficient working practices combine to produce a service of unparalleled quality at surprisingly competitive prices. Dyno’s policy is that work never starts until a fixed price quote has been agreed with the customer.

There are never any hidden extras added to the final bill. By consistently carrying out customer satisfaction surveys, the company is able to ensure that Dyno-Locks is always providing a high level of service and competitive prices. Every month, the company receives thousands of calls from customers with lock or security problems.

All Directors are members of the Associated Locksmiths of Ireland (AIOI) and the Associated Locksmiths of America (ALOA). Dyno-Locks is also a member of Irish Industry Association (ISIA).
