*HeartyyFresh – the biggest Indian grocery delivery service in the Bay area delivers its biggest single order to INS Satpura on 75th Indian Independence Day*

NEWARK, CALIFORNIA, USA, August 14, 2022 /EINPresswire.com/ -- India celebrates its 75 years of Independence in a big celebration on 15th August 2022. So when the [INS Satpura](#) (#INSSatpura) docks in San Diego Naval Base as part of RIMPAC 2022 a commemorative worldwide visit to foreign ports, who better to deliver its Indian groceries than [HeartyyFresh](#) – the biggest Indian grocery delivery service in the Bay area.

On August 15th, the INS Satpura will be one of 7 ships proudly hoisting the Tricolor across six continents, three oceans, and six different time zones. Other foreign ports include Perth, Rio De Janeiro, Brazil, and London.

When HeartyyFresh was reached for Indian Groceries to be delivered to the frigate with 300+ sailors, the team was

humbled by the request and took the challenge to deliver its largest single order which had to be delivered out of its current delivery zone, along with the sensitive nature of security involved.

The order was like any Indian household order, just in bigger quantities. The huge list of Indian groceries included Cooking Oils, Basmati Rice, Lentils and Dals, Boost, Hakka noodles, and Maggi – 2-minute noodles and more - enough to make a few 'Heartyy' celebratory meals for everyone
