Mr. Never Give Up

Resilience is the ability to cope with the loss, change, and trauma that have been inevitable parts of life. We all go through difficult times, we all experience disappointment, loss, change, and we all feel sad, anxious, and stressed at various times in our lives. Building a mindset of determination can get through even the darkest days.

On Never Give Up Day we are part of a big family with millions of people in the same boat, encouraging the general public to never give up the fight against global issues of concern like illness, poverty and climate change.
