

Five Latin American women who are an example of female empowerment in 2022

Yuya, Claudia Sheinbaum, Francia Marquez, Sofia Vergara, and Cristina Fernandez the top five empowerment women 2022.

MIAMI, FLORIDA, UNITED STATES, August 15, 2022 /EINPresswire.com/ -- [Grand Masters](#) published a list of the five Latin American women who are examples of female empowerment in 2022. "Empowering women implies that they fully participate in all sectors and at all levels of economic activity to build strong economies, establish more stable societies and fair, achieve the objectives of development, sustainability, and human rights and improve the quality of life of families." stated the CEO of Grand Masters, [Marilú Esponda](#).

Women's access to and control over economic and financial resources is decisive for achieving gender equality, women's empowerment, and economic and social growth in Mexico, Latin America, and the world.
