"Making the 2022 Inc. 5000 list is a great accomplishment," said [Lauren Rosin](#), CEO and founder, Rosin Team. "I'm extremely proud to be recognized and to be part of an illustrious group of companies and entrepreneurs. I share this recognition with my entire team, because, without them, Rosin Team wouldn't have experienced the tremendous growth it experienced over the last three years, and I wouldn't be where we I am today without them!"

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that

can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000. The top 500 companies are featured in the September issue of Inc. magazine, which will be available on August 23.

"Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today."
