*Mr. Never Give Up*

Never Give Up day is a global celebration focused on cultivating a mindset of determination. On this day we teach our youth one of the most important lessons of life: Never give up the fight to survive and thrive in life.

There are battles in life where ‘giving up’ is not an option. There are struggles in life we simply can't lose. Resilience is the ability to cope with the loss, change, and trauma that have been inevitable parts of life. We all go through

difficult times, we all experience disappointment, loss, change, and we all feel sad, anxious, and stressed at various times in our lives. Building a mindset of determination can get through even the darkest days.

The mayoral proclamation signals the city's role in recognizing the impressive resilience and determination of its community.
