

1ST GLOBAL ECO ARMY, NAVY, AIR FORCE & SPACE FORCE CONFERENCE ON BE AN ANGEL DAY

The First Annual Eco Army, Eco Navy, Eco Air Force and Eco Space Force Conference To Help The Environment

CLEARWATER BEACH, FLORIDA, USA, August 16, 2022 /EINPresswire.com/ -- Tampa, Florida....Make an impact on the world at the "Be An Angel Day" with Global [Eco Army](#), Global Eco Navy, Global Eco Air Force and Global Eco Space Force. The event will Be Held On Monday August 22nd from 6:00P to 10:00P at The Wyndham Grand on Clearwater Beach, Florida. Many various brands and professionals that work at for profit and non-profit organizations will come together to stand for the environment.

The main goal is to make our Planet a more balanced place to live and work. Business executives, engineers and CEO's from great organizations who understand the importance of Planet care before profits will bring forward the best solutions to the World's biggest ecological problems faced today.

In one short year, Global Eco Army and Global Eco Navy provided an excellent service to our Planet with over 1,000 Eco-Marines and Eco-Soldiers that joined this wonderful journey Worldwide on 4 Continents. Our Planet's servicemen and women planted trees and conducted cleanups in Ukraine, Burundi, Colombia, Mexico and USA. Global Eco Navy and Freedom

Boat Club of Tampa Bay joined forces on Earth Day this year to clean-up the Hillsborough River in Tampa, Florida. Gathering in these types of activities enables the community to develop a sense of purpose to care for Mother Nature. It also brings people together with a common vision to network and meet new friends and business opportunities while giving back to the community.

Important topics for the conference include learning how to reduce carbon emissions, monitor

Eco Army CEO Alicia Valdes

employee engagement & happiness and simulate temperatures, crops and the economy of the World. The conference will also touch base on the importance of Musical Vibrations as a key important role for soul enlightenment and awakening of humanity. From Physics to Music, this conference promises to deliver.

Honorable guests include David Shepp, Lobbyist at The Southern Group; Tag Galvin, Technical Writer III at Gulfstream Aerospace; Andrea Teodorescu with ConMed, Arjid Ghosh, Water Treatment Researcher at Tampa Water Department Production Division at the City of Tampa and more.

WHO SHOULD ATTEND?

- If you want to join 7 billion other people to make a collective impact in the World in one day, this is the place to be. We master at turning our Planet around and reversing water, air, and soil pollution Worldwide in the fastest and most effective way possible.
