

Werner Aero, LLC Expands Business Operations Utilizing Pentagon 2000SQL™

Acquisition by Sumitomo Corp Aims to Accelerate Growth

NEW YORK, NEW YORK, UNITED STATES, August 16, 2022

/EINPresswire.com/ -- Werner Aero LLC, a New Jersey, USA based operation, is expanding business and growing offerings to their customers by joining forces with Sumitomo Corporation, a Fortune Global 500 industry leader.

As an early adopter of Pentagon 2000SQL™ over 27 years ago, Werner Aero has been able to focus on their customers and management of operations while utilizing the Pentagon application to power their IT infrastructure.

“

Pentagon 2000 has been a leading supplier of fully integrated enterprise software systems, for over 30 years we've set the industry standard in fully integrated ERP systems.”

Pentagon 2000

According to Mike Cazaz, CEO of Werner Aero, “For almost 3 decades, Pentagon 2000 Software has provided us with an aviation industry-specific application that supports our operations and allows us to provide reliable and high-quality products and services to our customers. We have gained functionality and transitioned to new system technologies over the years through a seamless and nondisruptive upgrade process”.

Gabriel Mofaz, President at Pentagon 2000 Software

commented that “Werner Aero’s leadership position in the industry has provided us with business insights and customer feedback that we have been able to loop back into our application development process to provide continuous enhancements to the system that improves support for the Werner Aero team”.

Gabriel Mofaz, President at Pentagon 2000 Software commented that “Werner Aero’s leadership position in the industry has provided us with business insights and customer feedback that we have been able to loop back into our application development process to provide continuous

enhancements to the system that improves support for the Werner Aero team”.
