

New Highly Anticipated Book Promises to Help Build Better Relationships in Marriages and Blended Families

FRESNO, CALIFORNIA, UNITED STATES, August 16, 2022 /EINPresswire.com/ -- Ignite Press announced the release of *From Jackass to Joy: Discovering the Art and Science of Love, Marriage, and Blending Family*, by CEO and Midwest Commercial Hall of Famer Nick Ryan.

The book is available on Amazon at <https://amzn.to/3zQqOdb>

From Jackass to Joy presents tried-and-true life lessons from Nick's journey from a first to a second marriage and onward, with a look at how Art and Science each play a part in developing bonding relationships.

"When I was first married, I was young. I made a lot of mistakes, mainly due to lack of maturity. Basically, I was a jackass, and I fully admit it! But in the end, even this jackass was able to create a life overflowing with JOY," says Ryan. "In this book, you'll find three areas to guide you through blending your family. The first will be the narrative of my family stories and the mistakes I've made, the lessons I've learned, and my achievements. The second are the steps to follow to have a life of love and happiness with all the most important people in your life. The third section is for the references which I've learned, practiced, and used to define the type of person I wanted to become and who I try to live to be today."

To celebrate the launch of the book, the Kindle version of the book will be on sale for 99 cents for a limited time.
