

ConveyMED announces new partnership with Omni Health Media for an exclusive CancerConnect Medical Podcast Channel

CancerConnect to build extensive library of expert Oncology content in mobile format

MEMPHIS, TN, USA, August 17, 2022 /EINPresswire.com/ -- ConveyMED, a division of Convey Pro, Inc. today announced a new partnership with Omni Health Media for the creation of a "CancerConnect Podcast" channel.

This medical podcast channel, which will be available exclusively on the ConveyMED App, will feature lectures and case studies from industry leading Oncologists discussing the latest advancements in Oncology diagnostics and treatments.

“

The ConveyMED mobile education platform allows us to transition our meeting content into podcast format, enabling us to grow our audience without sacrificing any of the educational experience.”

Dr. Charles Weaver, Founder and CEO

“Dr. Charles Weaver is a forward-thinking educator whose meeting format features short, impactful lectures by leading Oncologists, followed immediately by Case Studies to help the listener apply the information into real-world scenarios,” said Mike Donoghue, CEO of ConveyMED. “This is exactly the educational format the 'mobile generation' is seeking, and perfect for the ConveyMED platform. 'CancerConnect Podcast' is a major advancement for our library of Oncology educational podcasts.”

“We are pleased to make our CancerConnect content available on ConveyMED,” said Dr. Charles Weaver, CEO of

OmniHealth Media. “Their mobile education platform allows us to seamlessly transition our meeting content into podcast format, enabling us to grow our audience without sacrificing any of the educational experience.”

In this partnership, CancerConnect will be able to extend its audience beyond the traditional live program to healthcare providers who are podcast enthusiasts. Additionally, CancerConnect will

be able to enhance the audio learning experience by leveraging the ConveyMED capabilities such as accompanying images and links to videos, which are not found on open podcast platforms. ConveyMED will be able to add to its library of exclusive Oncology educational podcasts and listeners on its platform.
