“Our ambitious, comprehensive initiatives are to continue delivering a more sustainable future, and our team is truly

moving shopping and shipping forward by delivering what matters, on time, and at a high service level”, said Mike Ulker, founder and CEO of Ship To Box. “We have been working hard and diligently to advance our sustainability mission, including enterprise-wide strategies and

initiatives, and collaborations with leading corporate partners.”

The pandemic pushed e-commerce further with more consumers shopping and shipping online and more frequently. Overall, in 2021, consumers spent nearly \$871 billion online with merchants from the USA, up 14.2% from about \$763 billion in 2020.

ShipToBox.com has pioneered a straightforward process of forwarding packages by leveraging proprietary technology as well as trusted relationships with a comprehensive global network of logistics partners, resulting in unparalleled reliability. ShipToBox.com built an industry-leading set of online tools that allow businesses and customers to generate pricing, securely book online and track the shipment in real-time, and instantly identify the most reliable, convenient, and cost-effective method of shipment for each individual shopping and shipping.
