

Today, America Celebrates "Never Give Up Day"

MIAMI, FLORIDA, UNITED STATES, August 18, 2022 /EINPresswire.com/ -- The world seems to be lurching from one crisis to another. We've experienced a global pandemic, dramatic changes to how we conduct our daily lives, economic uncertainty, and political and social turmoil, as well as an array of natural disasters. Then there are personal traumas that people are also dealing with, such as the loss of a loved one, declining health, unemployment, divorce, violent crime, or tragic accidents. For many of us, this is a time of unprecedented struggle and upheaval.

More than 50 cities across the US & Canada have proclaimed [August 18th](#) as [Never Give Up Day](#). The timing is

very fitting for such a proclamation given the courage seen throughout the pandemic. It comes when people need it most. The strength of this day gives us the time we need to grow so that we can become our fullest selves.

“

The person who never gives up in life is someone who believes that there is always a chance to win.”

Mr. Never Give Up

Never Give Up Day is a global celebration day focused on cultivating a mindset of determination. Facing defeat, coping with stress or even handling the victory - requires a lot of perseverance and a lot of hard work. And that's one thing you learn on Never Give Up Day. You Never Give Up!

On this day we are part of a big family with millions of people in the same boat, encouraging the general public to never give up the fight against global issues of concern like illness, poverty and climate change. This day encourages associations, charities, the public and private sectors, schools, universities and citizens in general to make this

day a springboard for awareness-raising activities.
