*The Business Research Company's  
Catering Services And Food Contractors  
Global Market Report 2022 - Market Size,  
Trends, And Global Forecast 2022 – 2026*

LONDON, GREATER LONDON, UK,  
August 18, 2022 /EINPresswire.com/ --  
As per The Business Research  
Company's "Catering Services And  
Food Contractors Global Market Report  
2022", the catering services and food

contractors market share is expected to grow from \$187.64 billion in 2021 to \$275.90 billion in 2022 at a compound annual growth rate (CAGR) of 47%. The growth in the catering services and food contractors market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The catering services and food contractors market is expected to reach \$378.39 billion in 2026 at a CAGR of 8.2%. The [catering services and food contractors market growth](#) is aided by stable economic growth forecasted in many developed and developing countries.

## Catering Services And Food Contractors Industry Trends

The food catering service companies are forming alliances to serve food to schools, colleges, and universities. They are also involved in the development of mobile apps that provide tailored food options to meet the needs of each individual. For instance, in March 2021, Sodexo, the foodservice and facilities management company, has announced a partnership with HelloFresh, the meal kit leader, to deliver HelloFresh and EveryPlate meal kits to students at more than 300 colleges and universities in the United States. Students can pre-select, order, and schedule meal kits for delivery using Sodexo's BiteU app. Whether students are vegetarian, on a low-calorie diet, or looking for something quick and easy, HelloFresh allows them to choose from a vast changing
