MILPITAS, CALIFORNIA, USA, August 18, 2022 /EINPresswire.com/ -- Kredifi Launches a State-of-the-Art Background Screening Software Platform

A first in the industry, Kredifi's new Modern Screening Software Platform is state of the art with a unique (SaaS) subscription pricing model.

If one is stressed and frustrated with transaction-based pricing, unpredictable costs, and complicated invoices, Kredifi welcomes one to a world of simplicity. With a state-of-the-art, highly automated platform, as well as competitive subscription pricing, one can focus on growing one's business without worrying about the volume of background checks and the cost.

“

Kredifi welcomes you to a world of simplicity!”

Kredifi welcomes those to a world of simplicity: Plus, if one

is tired of expensive, slow options, with little to no support for custom features or ATS integration, Kredifi can help.

With Kredifi, you'll be able to:

- Enable checks and features quickly with microservices based architecture. Custom development, if needed, is quick and inexpensive
- Enjoy the added flexibility, speed, and savings; work with any data provider of your choice. Kredifi does not resell criminal and other data unlike some of the other technology providers.
- Batch order capabilities with a concierge service where our team members will support you or build the ATS integration with you and your client.
- Enjoy enhanced performance and speeds with dedicated computing and storage resources;

no sharing with any other CRA.

- Save significant costs with a fixed monthly fee, rather than per-transaction billing. Get complete transparency and cost predictability.

About Kredifi:

We are on a mission to bring background screening into the modern, truly mobile, individual-driven, employer-centric and global world. We are offering the software platform of tomorrow to CRAs today that prioritizes speed, simplicity, and savings. For more information visit <https://kredifi.com/> or email [sales@kredifi.com](mailto:sales@kredifi.com). To get special pricing mention this announcement.
