award of INR 20Lakhs.

World Robotics Championship

TECHNOXIAN
WORLD ROBOTICS CHAMPIONSHIP
Robotics

Aiming to boost sustainable STEM education culture in the country, 6th edition of world's largest [Robotics Championship – TechnoXian'22](#) to be held at Indira Gandhi Stadium Complex, New Delhi on 21st and 22nd Aug'22 organized by All India Council for Robotics & Automation (AICRA) and Ministry of Electronics & Information Technology (Meity).

The 2 days tournament has witnessed more than 8000 young participants from 18 countries. 1000 Teams prepared themselves for 9 categories of robotics competitions. All winners would receive certificates and

In past 5 editions, TechnoXian has become one of the worlds' largest robotics championship event series in terms of youth participation. It accumulates youngsters from all over the world together to be part of the biggest robotics championship and commemorate with knowledge and create an unmatched ambience and aura of learning as well as competing with fun under the expert's guidance of research personals who have proved their worth in the field of academics and industry.

As per Shri Rajkumar Sharma, President-AICRA "TechnoXian aims at accelerating technological innovations and environment in the STEM education ecosystem of our country. These initiatives would inspire young generations to advance in latest technologies, that will reshape the Education sector and will provide solutions for all the current challenges in education ecosystem."

Along with TechnoXian tournament, EdTech Expo will also be organized where Edtech companies and institutions can find the right opportunities, collaborate, forge partnerships, make deals and grow in their education processes. The EdTech Expo will provide everything that STEM needs to find a space in the ever-growing market and redefine the future.

All further updates regarding the event are available in the official online portal of TechnoXian <https://www.technoxian.com>
