Inc. 5000 named [CarAdvise](#) #322 of Inc. Magazine's prestigious Inc. 5000 list of the fastest-growing, privately-owned companies in America.

With this achievement, CarAdvise joins companies like Microsoft, Intuit, Vizio, Chobani, and Patagonia who also gained their first national exposure as honorees on the Inc. 5000.

This recognition reflects our ability to effectively move the organization forward with industry innovative solutions that position us for even bigger growth"

Greg Tepas

The recognition comes during a period of significant growth for the company, which received major support from Fuelman, a FLEETCOR company which combined Fuelman's managed fuel programs with CarAdvise's vehicle maintenance SaaS platform to improve business outcomes for small and medium-sized businesses (SMBs) with fleets.

"Being included on this year's Inc 5000 fastest-growing privately held companies is a tremendous accomplishment and a direct result of the hard work, customer focused solutions, and dedication from our talented team during a most challenging time," said Greg Tepas, CEO, CarAdvise. "This recognition reflects our ability to effectively move the organization forward with industry innovative solutions that position us for even bigger growth," says Tepas.

CarAdvise experienced three-year revenue growth of 1,769%, which also positioned them Top 25 in the state (IL) and Top 5 in Consumer Services.

CarAdvise members can save up to 40% off retail pricing by being "America's Largest Fleet". Unlike promotion-based coupon deals, CarAdvise guarantees below retail pricing on every
