

Solution One Partners Hits 10 Million Member Mark

Leader in member engagement programs hits new milestone.

PEORIA, AZ, USA, August 18, 2022 /EINPresswire.com/
-- Solution One Partners

(www.solutiononepartners.com), the leading provider of [member engagement](#) programs in the health club industry, has announced that it is now serving over 10 million health club members, a full five months ahead of the Company's ambitious schedule. Over 2,800 health club locations rely on Solution One Partners to attract, retain and engage members using the Company's "Member Engagement Ecosystem".

“

Since we launched Solution One Partners over five years ago with our proprietary awards management platform, we have expanded exponentially, both in terms of services and in reach.”

Travis Helm, CEO

This Ecosystem, which can be branded for each client, provides a turnkey, customized platform that delivers enterprise-level engagement incentives for clubs ranging in size from a single studio all the way up to a national chain. As a result, members can save more on their daily expenses than they pay for their health club membership. The Member Engagement Ecosystem combines advanced web-based and mobile applications with a world-class award menu to provide a variety of services to its clients and their members.

These include:

- Sales Promotions and Incentives
- [Member Referral](#) Programs
- “Win Back” Promotions to lure lapsed members back to the club
- ACH Conversion Programs to encourage members to switch from credit cards
- Member Engagement Programs such as sweepstakes
- E-Commerce Solutions for [health clubs](#)

“Since we launched Solution One Partners over five years ago with our proprietary awards management platform, we have expanded exponentially, both in terms of services and in reach,” notes Travis Helm, CEO of Solution One Partners. “And we are not standing still. In the months to come we will be making major announcements concerning improvements in our technology, expansion of our services and additions to our client and member base in the health club

industry.”
