Cancer League of Colorado is an all-volunteer charity, and 100% of the funds raised go directly to fund research and patient programs. Cancer League of Colorado's mission is to secure the cure or control of cancer by raising funds to support innovative cancer research and cancer-related

services in Colorado.

[Cancer League of Colorado, Inc.](#) was founded in 1969 by five women whose families were affected by cancer. Their individual heartache sparked a shared mission to raise money for research and patient care. Today, CLC is at the forefront of discovery in the causes of many types of cancers – and the most effective therapies – primarily through the partnership with the University of Colorado Cancer Center. The organization has donated over \$20 million to fight cancer and support patient services in Colorado since its inception.
