CLEVELAND, OHIO, UNITED STATES OF AMERICA, August 19, 2022

/EINPresswire.com/ -- Outside of MojuBa Festival and Culture and The Red Ball Gala taking place on September 15, 2022.

Dr. Gloria Pope, Author of Hero: Memoirs of Infertility, educator and entrepreneur will be hosting a book signing event at Loganberry Books located in the quirky and upbeat neighborhood of Larchmere Blvd.

In Hero, the reader has the unique opportunity and privilege to bear witness to moments of vulnerability, relationship dynamics, and different points of view of several couples as they embarked and sometimes struggled through their experience with IVF treatment.

Dr. Pope also takes the stage and opens up about her own emotional journey while in support of her wife as she went through IVF treatments and grappled with her own issues with infertility. The author hopes the reader can gain knowledge of how to support loved ones, and learn from each individual perspective.

Dr. Pope will also grace Loganberry Books with a short reading at the book signing.
