As per The Business Research
Company's "Camping And Caravanning
Global Market Report 2022", the

[camping and caravanning market size](#) is expected to grow from \$62.00 billion in 2021 to \$68.93 billion in 2022 at a compound annual growth rate (CAGR) of 11.2%. The growth in the camping and caravanning market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The camping and caravanning market is expected to reach \$100.51 billion in 2026 at a CAGR of 9.9%. The Millennial population is driving the camping and caravanning market.
