

American Samoa LLC Tax Benefits Explained

LLC Tax Benefits | LLC Tax Advantages | LLC Tax

MIAMI, FLORIDA, UNITED STATES, August 19, 2022 /EINPresswire.com/ -- Start an LLC in American Samoa, and that means owners or members won't incur state-level taxes. Yes, American states don't tax LLC, but members or owners of the LLC are almost always taxed based on their share of income. Ordinarily, LLCs are taxed in line with corporations and subject to corporate tax rates at the state and federal level.

Fortunately, forming and running an LLC in American Samoa cuts out all state-level taxes for owners and members. For starters, members and owners of the [LLC tax benefits](#) don't have to pay personal income tax, admission tax, gift tax, estate tax, inventory tax on income, and unitary tax.

“

American Samoa does not have State Income tax. This means any who opens an LLC in American Samoa does not pay state income tax!

”

John Freeman

Starting a new business, individuals have to consider where to register the company. It can be daunting and overwhelming to make sure you have the right structure at the right place. Regardless of the nature of business, American Samoa serves as an ideal spot. One of the best aspects of operating an American Samoa LLC is that it

gives owners and members complete freedom and control to oversee operations.

The fact of the matter is that the tax perks alone are enough to influence many to set up and run an LLC in American Samoa. Let's take a look at some of the tax benefits companies get when starting an LLC in American Samoa.

Separate Tax System

American Samoa has its own separate tax department that is based on, but separate from, the US tax code. Generally, income earned in American Samoa can be excluded from federal income tax filings. Check with local tax professionals for more details in your state or country of residence.
