

Crossroads Equipment Lease and Finance Climbs to #69 in 2022 Monitor 100

LOS ANGELES, CA, USA, August 23, 2022 /EINPresswire.com/ -- [Crossroads Equipment Lease and Finance](#), a [national independent lender](#) focused on commercial transportation, climbed the 2022 Monitor 100 list to rank 69th among the largest equipment finance and leasing companies in the United States.

With over \$600 Million in total assets and over \$356 Million in new business volume, Crossroads [advanced 9 positions](#) in the ranking from 78th in 2021 – a considerable achievement at a time when lenders felt pressure to innovate or lose market share.

Like many businesses in recent years, Crossroads had to rapidly adapt to uncertain market conditions. Crossroads is gaining market share by focusing on the success of its customers and its roots in commercial transportation.

“

Our team has a laser focus on customer success. By concentrating on transportation equipment, Crossroads can better understand and meet the challenges faced by our customers.”

Howard Shiebler

“Crossroads’ customer-first culture empowers our teams to continuously improve the commercial lending experience,” says President Howard Shiebler. “Our team has a laser focus on customer success. By concentrating on transportation equipment, Crossroads can better understand and meet the challenges faced by our customers.”

Crossroads continues to invest in its people and technology as it aims to improve vendor finance and strengthen its portfolio.
