As per The Business Research
Company's "[Vocational Rehabilitation
Services Global Market Report 2022](#)",

the vocational rehabilitation services

market is expected to grow from \$80.43 billion in 2021 to \$82.72 billion in 2022 at a compound annual growth rate (CAGR) of 2.8%. The growth in the vocational rehabilitation services market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The vocational rehabilitation services market is expected to reach \$86.61 billion in 2026 at a CAGR of 1.2%. An increase in the number of companies expressing interest in hiring individuals with disabilities is expected to drive the vocational rehabilitation services market.
