*A-SCEND Compliance Automation Software Selected as Winner in the Best Regulatory Compliance Solution Category*

TAMPA, FLORIDA, UNITED STATES, August 22, 2022 /EINPresswire.com/ -- [A-LIGN](#), the leading cybersecurity compliance and audit firm, today announced that A-SCEND has won the 2022 SC Awards in Excellence for Best Regulatory Compliance Solution. The announcement was made today as part of SC Media's 2022 SC Awards coverage. The industry awards program is cybersecurity's most prestigious and competitive program, recognizing the solutions, organizations, and people driving innovation and success in information security.

"We're proud to be recognized for the innovation we are providing to the cybersecurity compliance industry with A-SCEND, the only end-to-end cybersecurity compliance solution designed to meet organization's audit needs from readiness to report," said Scott Price, CEO at A-LIGN. "We will continue to innovate through A-SCEND in ways that make compliance faster and easier for our global clients."

Now in its 25th year, the 2022 SC Awards were the most competitive to date, with a record 800 entries received across 38 categories, expanding its recognition program to include several new award categories that reflect the shifting dynamics and emerging industry trends. Excellence Award winners were selected by a world-class panel of industry leaders from sectors including healthcare, financial services, manufacturing, consulting, and education, among others.

"The information security needs of organizations are dynamic, and a simple buy-sell relationship with a vendor will rarely be good enough," said Jill Aitoro, senior vice president of content strategy at CyberRisk Alliance and editor in chief of SC Media. "The Excellence Award winners demonstrate they understand that their responsibility to customers goes well beyond the sale of a product or service."
