FERNDALE, MICHIGAN, UNITED STATES, August 22, 2022 /EINPresswire.com/ -- Today, Inc. revealed that Aaron's Estate Sales is No. 1,616 in the country, No. 21

in Michigan and No. 11 in Metro Detroit, on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"We've worked hard to earn a name for ourselves on a list as impressive as Inc. 5000, from putting in countless hours tackling projects as ambitious as Berry Gordy's Motown Mansion and Denny McClain's home to breaking down obstacles during COVID-19 to ensure the safety of homeowners, employees and customers alike, we're setting a new higher standard for estate sales in Metro Detroit and beyond," said Aaron Siepierski, founder and owner of Aaron's Estate Sales.

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. These companies are ranked according to percentage revenue growth from 2018 to 2021. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The accomplishment of building one of the fastest-growing companies in the U.S., in light of recent economic roadblocks, cannot be overstated," says Scott Omelianuk, editor-in-chief of Inc. "Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today."
