Keith Pemrick

"Teaching has been a love of mine for many years. As the son of an elementary school teacher, I have long understood the importance of education," said Pemrick. "My firsthand experience working as a legislative director in Congress and my government affairs work at CSP give me unique insight that I'm excited to bring to Penn State and share with my new students."

Pemrick also serves as an adjunct professor at American

University's School of Public Affairs in Washington, D.C., where he teaches the undergraduate course Political Power and American Public Policy during the spring semester.

About Commonwealth Strategic Partners
