

# Something new with a girlish feel: New Times Hair is about to add hair extensions into their catalog

*Upon their global partners' demands, New Times Hair is about to add hair extensions to its merchandise and launch them in no time.*

LOS ANGELES, CALIFORNIA, USA, August 26, 2022 /EINPresswire.com/ -- Upon their global partners' demands, and after six months of intense preparation, New Times Hair is about to add hair extension to its merchandise and launch them in no time. Excited?

New Times Hair is all set to dispatch the new hair extension in numerous categories to its global partners

New Times Hair has coped in the hair industry for over a decade, a well-known manufacturer, supplier, wholesaler, distributor, and retailer of various hair systems and wigs. Throughout the years, their focus has always been on non-surgical hair replacement system for men. They have developed a great rapport with local distributors, salon owners, and private users from over 200 countries.

Demands for female hair extension have been ever-increasing in recent years. More and more clients and partners worldwide have appealed to New Times Hair to put female hair extension online. After six months of preparation and the extra hours worked, New Times Hair is launching full range of wholesale hair extension on their official website, [www.newtimeshair.com](http://www.newtimeshair.com).

A full range of hair extension methods is available at New Times Hair, such as keratin, fusion, weft, tape-in, clip-in, etc. Whatever style or color that is seen or used somewhere in the world, New Times Hair has it in stock.

## New Times Hair hair extensions

- 100% HUMAN HAIR
