

SIO Logistics Joins U.S. EPA SmartWay® Transport Partnership

Texas-based 3PL SIO Logistics joins the SmartWay® Transport Partnership, a collaboration between the U.S. Environmental Protection Agency (EPA) and industry.

SOUTHLAKE, TX, US, August 23, 2022 /EINPresswire.com/ -- [SIO Logistics](#) today announced that it joined the SmartWay® Transport Partnership, an innovative collaboration between the U.S. Environmental Protection Agency (EPA) and industry that provides a framework to assess the environmental and energy efficiency of goods movement supply chains.

SIO Logistics will contribute to the Partnership's savings of 336 million barrels of oil, \$44.8 billion on fuel costs, 143 million metric tons of CO₂, 2.7 million short tons of NO_x, and 112,000 short tons of PM. This is equivalent to eliminating annual energy use in over 21 million homes. By joining [SmartWay Transport Partnership](#), SIO demonstrates its strong environmental leadership and corporate responsibility.

"SIO is on a mission to unlock the future of freight. As a responsible and trusted freight brokerage, we are committed to providing our customers with first-class freight solutions while ensuring energy-efficient services,"
