HOUSTON, TEXAS, USA, August 23, 2022 /EINPresswire.com/ -- Our [Mesothelioma](#) Options Help Center of South Carolina is dedicated to providing top quality legal and medical assistance to those stricken with mesothelioma or [asbestos](#)-related [lung cancer](#). Anyone wishing to discuss their legal and/or medical options should call (888) 891-2200 to speak directly with an attorney from the Steinberg Law Group.

The Steinberg Law Group has decades of experience in handling mesothelioma and other asbestos-related cases. With offices in New York, California and Texas, the Steinberg Law Group has a national footprint that helps win the best possible financial compensation for clients.

Typically, asbestos exposure will have occurred sometime between the 1950s and the 1980s. Some of the most prevalent professions that encountered large quantities of asbestos include power plant workers, maritime workers, industrial workers, plumbers, pipefitters, electricians, mechanics, machinists, miners, railroad workers and construction workers, to name a few. Since

**THE STEINBERG LAW GROUP**
