Elizabeth "Lizzie" Dipp Metzger, CFP®, AEP®, MSFS was named a member of the 2022 New York Life Insurance Company Advisory Board of Directors.

EL PASO, TX, USA, August 23, 2022 /EINPresswire.com/ -- Elizabeth "Lizzie" Dipp Metzger, CFP®, AEP®, MSFS was named a member of the 2022 New York Life Insurance Company Advisory Board of Directors. The Advisory Board of Directors (ABD) is made up of the current Council President and former Council Presidents who currently qualify for New York Life's prestigious Chairman's Council. Members of this elite group are among the most successful and professional Agents at New York Life and in the industry.

The ABD meets with top management in the New York Life Home Office twice per year to learn about the state of the Company and its strategic direction, as well as to provide input on products and services under development. The group offers invaluable producer-based insights from their own experience of running successful practices, as well as their own interaction throughout the financial services industry. From time to time, special task forces are also formed to address specific challenges and opportunities identified through the dialogue between the ABD members and Home Office executives. Given the high-end markets with which ABD agents work, as well as the intricacies of their practices, popular topics discussed may include updates on advanced market products and services, large case and special risk underwriting challenges and ways to leverage today's technology to help support book-of-business management.
