American Samoa's Unique Location and Territory status Makes it The Best State to Form LLC”

Hugh Watson

Not exactly a state rather a territory, it has been the best state to form LLC in America since 2018. For businesses wanting to establish their footing in America without legal strain, American Samoa has a dedicated website llc.as.gov for registering limited liability companies.

How does American Samoa for LLC registration help businesses?

Registering a business in this territory offers extensive benefits –

The unique location safeguards businesses from malicious lawsuits

The location of this unincorporated U.S. territory makes it the best state to form LLC. It is located 5,000 miles away from the United States mainland, and hence to sue an American Samoa LLC, the other party's lawyer has to physically appear in American Samoa court. American Samoa can shield business from legal hassle involving frivolous lawsuits with its geographic location. States

like Wyoming or Delaware do not offer this protection.

American Samoa does not have State [LLC Tax](#).

Allows business to protect their identities

An LLC registration in American Samoa means the identities of business partners remain anonymous as per the owner's will. The laws only name the registered business agent offering services during LLC registration.
