"We are excited to bring the Immerse Global Summit to the gorgeous island of Madeira and to host an incredible event this fall. We have worked endless hours to bring THE best speakers from around the globe to cover all immersive tech topics including metaverse, blockchain, web3, virtual and augmented reality, digital fashion, digital humans, enterprise, and more, says Anne-Marie Enns, Executive Producer of the Immerse Global Summit. "We have curated a show of leading and upcoming voices and are working with incredible sponsors and partners to make

this event spectacular."

The Immerse Global Summit will welcome 100+ speakers, demos, product launches, exhibits, networking, roundtables, VIP programming, island tours, and special events. The event is a fully hybrid event, with live streaming and a fully online program taking place on our virtual event platform. Attendees will be able to join in person or online to view talks, engage with attendees and view exhibitors. The summit expects 500+ on the island and 1000s more attending online.

"Anyone in business today should attend this event and learn how immersive technologies can and will transform their business. Many of the world's most respected companies and thought leaders will be at Immerse Global Summit, in a setting curated to deliver inspiration, and allow attendees to network with game-changing business connections," says Nathan Pettyjohn, President of the [VR/AR Association](#), who hosts Immerse Global Summit.

The Immerse Global Summit will feature dynamic keynotes, industry tracks, a startup pitchfest, demos, exhibits, networking, and amazing VIP events. It will showcase the best that the industry has to offer.
