

# Harvest Christian University making history

---

LOS ANGELES , CA , UNITED STATES, August 23, 2022 /EINPresswire.com/ -- [Harvest](#) Christian University is making history through its international reach. Harvest Christian University is an exempt charity; it is a private institution supported by the philanthropic and humanitarian efforts of its alumni and friends. HCU is a Royal accredited university that was started in Dallas, Texas in 2010. The school has captivated the attention of many global business leaders, humanitarians, entrepreneur startups, and emerging creatives. Notable professionals from diverse spaces are instructing the classes that have a cutting edge track record that follows the work they've done on a global scale. Of the many programs that HCU has, one area of interest is The Carroll School of Business. The Mini-MBA, Masters, Executive MBA, Doctorate, and Ph.D. are offered in that school. It is approaching fall enrollment for in-person and online starting this fall. The duration of the programs vary depending on the area of study. Students from across the US, France, Dubai, Gabon, Equatorial Guinea, Uganda, Tunisia, and many more countries will be enrolled.

Harvest Christian University proudly announces the selection of its new Chairman of the Board of Regents Billionaires Row CEO Dr. [William](#) L. Benson. Billionaires Row is an affluent spirits brand that is captivating the notoriety from companies, celebrities, royal individuals, and families across the world.
