

# David Morris, Proteus 420 Co-founder and CTO, Named to PayZel Advisory Board

*Globally recognized tech entrepreneur to provide expertise and guidance for PayZel cannabis marketplace.*

SAN DIEGO, CALIFORNIA, UNITED STATES OF AMERICA, August 25, 2022 /EINPresswire.com/ -- With more than two decades of entrepreneurial experience specializing in technology, David Morris, co-founder and CTO of [Proteus 420](#), was recently named to the advisory board for [PayZel](#), a cannabis marketplace that supports and empowers small businesses in the growing sector. In this role, Morris will use his extensive expertise in the regulated industry to advise PayZel on best practices to support trusted cannabis businesses with financial solutions.

Morris has a long history of entrepreneurial and technology experience specializing in application development, data centers, cloud computing, and hardware. He also has extensive programming expertise for mortgage, insurance, financial, social, and high-risk businesses. In 2008, he and his wife Dawne Morris established Proteus 420, an online enterprise resource planning (ERP) system for businesses in e-commerce, retail, healthcare, and highly regulated industries, including alcohol and cannabis.

"Throughout my career, I've built award-winning design, development and IT companies from the ground up, including Proteus 420, which offers a single source solution for business operations for highly regulated industries," David said. "I'm passionate about developing solutions that help companies in emerging and regulated industries grow. This experience lends itself well to an advising role with PayZel, as they are passionate about offering financial services to trusted cannabis businesses. I am excited to step into this role and share my industry knowledge so that we all succeed."

David Morris serves as co-founder and CTO at Proteus 420, a cannabis ERP software company. With two decades of experience as a tech entrepreneur and executive leader, Morris will share his knowledge on the PayZel advisory board and support small businesses in cannabis.

“We established PayZel in 2019 to radically change financing options for cannabis and hemp organizations—it’s our goal to support small businesses in the cannabis sector,” said Todd Kleperis, PayZel CEO. “As the co-founder of Proteus 420 and multiple other successful businesses over the years, and a unique understanding of the regulated marketplace, we are honored to welcome David’s expertise on the PayZel advisory board.”
