The Coronavirus, or COVID-19, has wreaked havoc on the world for the last two years. As it

spread across the globe, this highly contagious disease disrupted daily life with a ruthless presence rarely seen. The general public has had to endure adversities such as restrictions on the general movement of individuals and goods, the provision of services, and complete chaos in terms of trade. COVID-19 wreaked havoc on the global economy!

"The analysis of the impact of COVID-19 on this industry will be included in the final report."
