

Recruit CRM Gets Recognized as the Top Recruiting Software on GetApp

Recruit CRM's latest features have led to its recognition as the leading recruiting software in the market on GetApp

NORWOOD, NEW JERSEY, UNITED STATES, August 26, 2022

/EINPresswire.com/ -- Recruit CRM has been recognized by GetApp as a leader in the [recruiting software](#) category for consistently being a top performer. On the software discovery and review platform, Recruit CRM has received an overall rating of 4.9/5 for its robust ATS and CRM.

Ease of use and cutting-edge features like chrome sourcing extension, kanban boards, email integrations, and so on make it the top-rated software. Furthermore, the platform is highly customizable and can be easily tweaked to meet the varying requirements of its users.

The ATS + CRM system is perfect for recruitment consultants, small to midsize recruitment firms, executive search agencies, and large enterprises. It also has a handy mobile application for Android and iOS users.

Recruit CRM is storming over the #RecTech world and outplaying its competitors to become the most-liked [recruitment automation](#) tool. Most recruitment specialists believe it to be the best [Bullhorn alternative](#)!

The company prioritizes its customers with 24*7 live support and ensures that its customers have the best experience while using their technology. It aims to revolutionize recruitment for staffing experts by helping them automate most manual tasks. Recruiters in more than 80

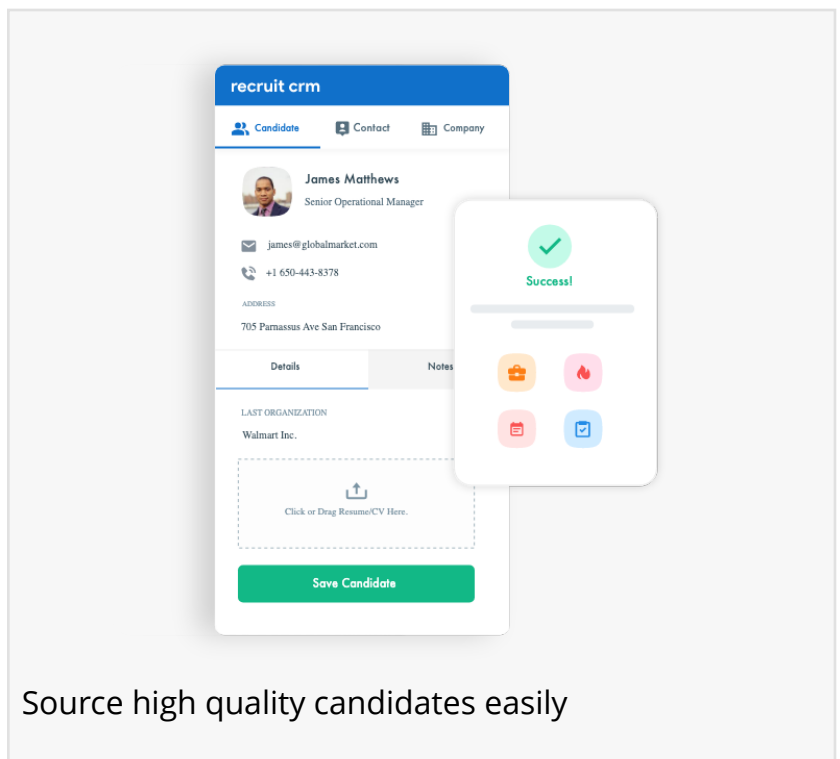

countries around the globe trust this
ATS + CRM.

“

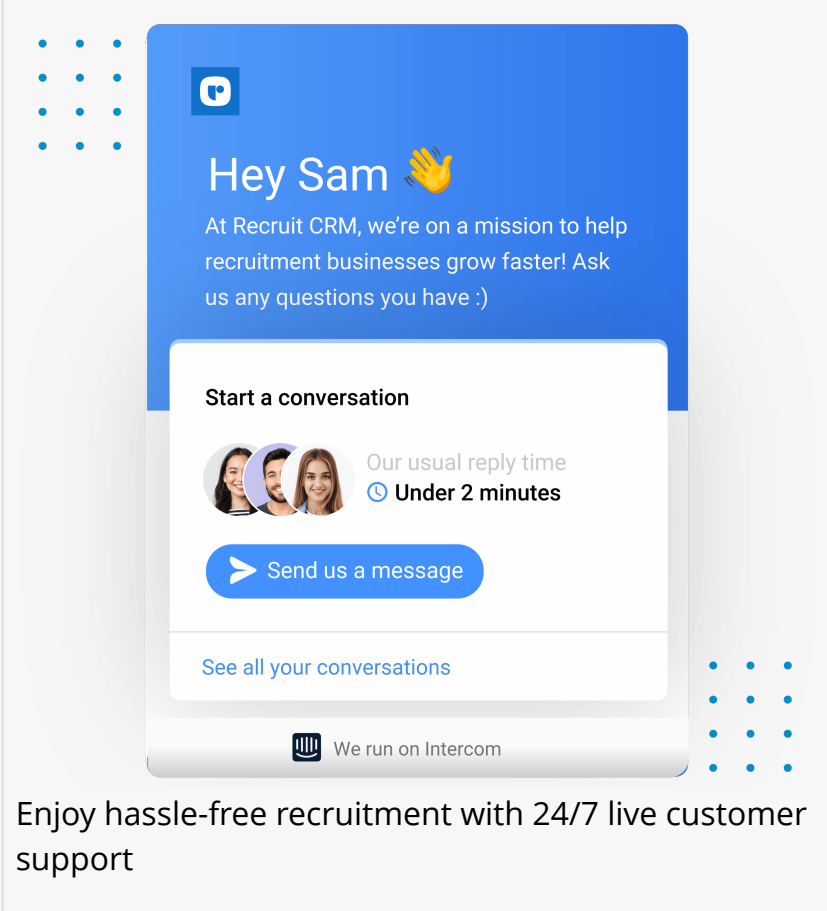

Kudos to the team for
building such an intuitive
software and a warm thanks
to our customers for letting
us be a part of their journey.
We aim to develop more
features to make
recruitment simpler.”

Shoanak Mallapurkar, CEO

Source high quality candidates easily

The image shows a mockup of a chat interface for Recruit CRM. It features a blue header with the Recruit CRM logo and a greeting 'Hey Sam' with a hand emoji. Below the header, there is a white box with the text 'Start a conversation' and three circular profile pictures of customer support agents. To the right of the profiles, it says 'Our usual reply time' and 'Under 2 minutes' with a clock icon. A blue button with a white arrow and the text 'Send us a message' is positioned below the profiles. At the bottom of the white box, there is a link 'See all your conversations'. The entire chat interface is set against a light gray background with decorative blue dots in the corners. At the bottom of the gray background, there is a footer that reads 'Enjoy hassle-free recruitment with 24/7 live customer support'.
