

Custom Computer Specialists Names Jay Whitchurch as President

HAUPPAUGE, NY, UNITED STATES, August 25, 2022 /EINPresswire.com/ -- [Custom Computer Specialists](#), LLC. ("Custom"), a leading provider of technology solutions and services announced today that [Jay Whitchurch](#) has been named as President. Jay has over 25 years of experience driving business growth and successfully leading organizations through change, most recently as President at Scantron. His career has been defined by his work in helping clients through digital/technology change, creating and managing SaaS-based products and technology services, and empowering teams to grow. He leveraged this background extensively in his leadership roles in the Technology and Management Consulting industries while serving Education, Healthcare, Financial Services, and Government clients.

Greg Galdi, who will continue as Custom's Chief Executive Officer said "Jay is the right leader for Custom. Jay's extensive business and technology background combined with his ability to motivate, lead and develop teams to accomplish complex goals will undoubtedly solidify Custom as the solution provider of choice while at the same time allowing us to expand our technology offerings."

"I am very excited to be joining the Custom team," said Jay Whitchurch. "I was drawn to Custom's visionary and talented team as they are uniquely positioned to capitalize on the changing technology landscape. As we see the lasting effects brought on by the pandemic, it's clear that Custom will be an innovator and market leader, working closely with our clients to define the technology solutions of the future and ensuring clients have the right solutions in place at the right time. I'm confident that by continuing Custom's long track record of providing exceptional service for our clients, Custom and our clients are in for a great journey ahead."

As President of Scantron, Jay transformed Scantron into a digital leader in assessment and tech services. Prior to joining Scantron, Jay founded, grew, and sold Campus2Careers, an Education
