Willie Baker, multi-platinum, Grammy Winning producer

No Lonely Hearts (NLH) is America's hottest new boy band, comprised of five young men that were hand selected during an intense, nationwide audition process. Ranging from the ages 17-20, Oliver, Brian, Dylan, Aidan, and Alex spent the last year working with the very same team who helped create N'Sync and Backstreet Boys. The group's choreographers, producers, coaches, trainers, and entire development team in Central Florida helped the group perfect their vocal and performance skills.

"Boy bands are back!" stated Willie Baker, a multi-platinum, Grammy Award winning music producer.

"Drawing upon my experience with Backstreet Boys, N'Sync, Boyz II Men, and Jonas Brothers, No Lonely Hearts is poised to be the next mega hit group in the industry, they've just got the right stuff!" added Baker with a wink.
