SALT LAKE CITY, UTAH, UNITED STATES, August 25, 2022 /EINPresswire.com/ -- Inc. revealed that [Northpoint Asset Management](#), Inc is No. 3,478 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"I'm thrilled we made the 2022 list!" Said Northpoint's CEO John Laviter. "Unemployment has been at a 50-year low, so it hasn't come without its challenges, but I'm glad that our employee turnover has been near zero," he continued. Northpoint has seen in excess of 200% revenue growth during the last three years, and added over 3,000 buildings in 2021 alone.

I'm thrilled we made the 2022 list!"

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid

supply chain woes, labor shortages, and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000). The

top 500 companies are featured in the September issue of Inc. magazine.

“The accomplishment of building one of the fastest-growing companies in the U.S., in light of recent economic roadblocks, cannot be overstated,” says Scott Omelianuk, editor-in-chief of Inc. “Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today.”
