

New Book, "They are going to kill us all: How the Corporate Elite Are Killing You"

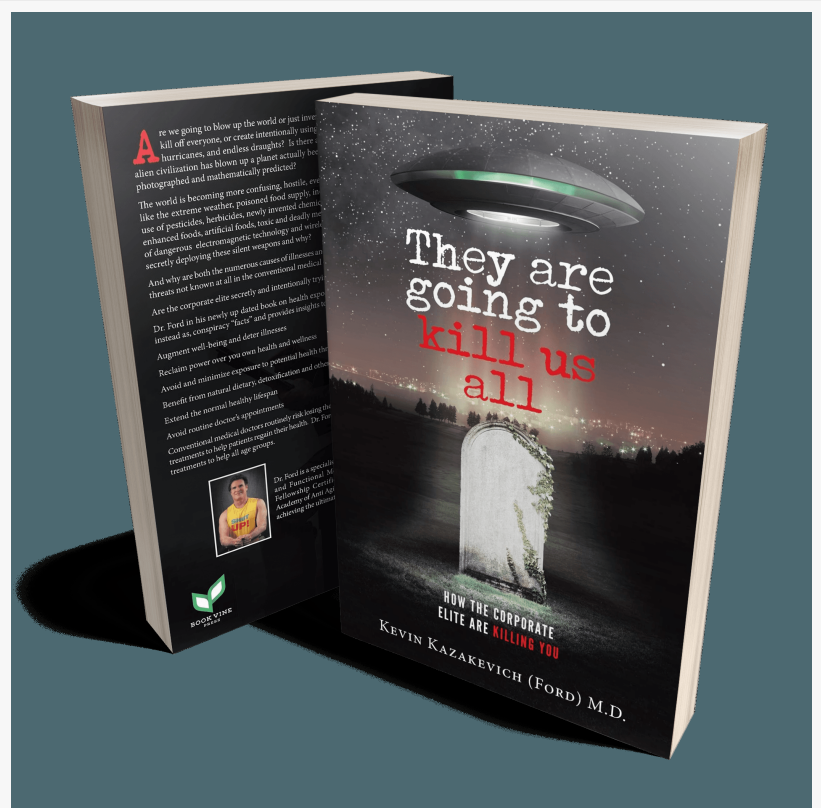

"They are going to kill us all: How the Corporate Elite Are Killing You" by Kevin Kazakevich is a gripping tome that reveals the truth about an uncommon cure.

PALATINE, IL, UNITED STATES, August 29, 2022 /EINPresswire.com/ -- ["They are going to kill us all: How the Corporate Elite Are Killing You"](#). This new book is a fundamental guide that gives tips to readers on how to stay fit and healthy and extend life span with detoxification and prevention instead of only conventional medicine.

In this book, Dr. Kazakevich starts out with a discussion of the bioweapon, COVID 19. There is an on-going battle in the news between Senator Dr. Rand Paul, M.D. from Kentucky, and Dr. Fauci, the National Public Health Director. According to Dr. Rand Paul, Dr. Fauci has been caught lying about the events surrounding the Wuhan lab leak.

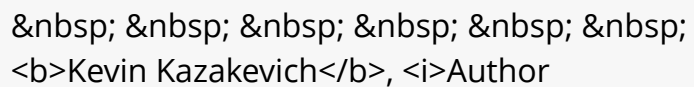

"They are going to kill us all: How the Corporate Elite Are Killing You" is the creation of published author [Kevin Kazakevich M.D.](#) a writer who is interested in ancient history, aliens, and extending life span through detoxification methods that are not known to the public in general.

Kazakevich writes, "Are we going to blow up the world or just invent a bio-weaponized man-made disease to kill off everyone, or create intentionally using advanced military technologies gigantic hurricanes, and endless droughts? Is there any evidence that an ancient humanoid/alien civilization has blown up a planet actually been proven in ways that can be measured, photographed, and mathematically predicted?"

 They are going to kill us all

"Avoid routine doctor's appointments.

“Conventional medical doctors routinely risk losing their license if they prescribe safe and natural treatments to help patients regain their health. Dr. Kazakevich (Ford) M.D. reveals why they should be using natural treatments to help all age groups.

“Dr. Kevin Kazakevich (Ford) M.D. is trained as a conventional U.S. medical physician. In addition, he is a specialist in anti-aging, Regenerative, and Functional Medicine with an Advanced Fellowship Certification from the American Academy of anti-aging medicine. He is devoted to achieving the ultimate anti-aging Plan.”

Published by [Book Vine Press](#), Kazakevich’s new book serves as a warning that numerous ancient and modern military technologies exist that can kill us all and are being developed and deployed in secret and without the approval of the public.
