NEW YORK, NEW YORK, UNITED STATES, August 26, 2022

/EINPresswire.com/ -- Divine Spark, a company based in New York, offers health coaching, life purpose coaching, and personal development coaching to clients across the state, country and around the world.

Divine Spark Coaching is a New York-based company offering health coaching, life purpose coaching, and personal development coaching to clients around the world. The service aims to help people define their goals, achieve them, and lead a comfortable and successful life. Through different techniques, such as HypnoCoaching and RTT hypnotherapy, DSC helps its clients release stress and anxiety, trauma, and other mental health issues, improving people's quality of life.

The company, led by President and CEO Charles West, understands people's daily struggles, including career and family pressures, draining relationships, financial stress, and more. It believes that these challenges can drain a person's energy, causing them to feel tired to make changes in their lives, care for themselves, get their money under control, or even function properly and get through the next day, week, month or year. Divine Spark Coaching, through the process of transformation and self-care, can help people get through any challenges they encounter in their lives. Whether they feel stuck, restless, depressed, or anything that blocks their road to satisfaction and success, they can turn to Divine Spark for comfort, realization, and guidance for a happy and thriving life.

People looking for the most significant results in the shortest time can opt for Divine Spark's HypnoCoaching program. It is a customized 3, 6, 9, or 12-month program, diving deep into realigning people's dreams and desires and allowing them to release paradigms they didn't know were there. HypnoCoaching can also help people find relief from various conditions, and some of them include anxiety, depression, fears and phobias and panic attacks.

Another program Divine Spark offers is [Rapid Transformational Hypnotherapy \(RTT\)](#). West is also a Certified Rapid Transformational Hypnotist with the Marisa Peer School. The program provides powerful transformation and healing, rewiring subconscious paradigms and purifying the energy of trauma and abuse by incorporating an exquisite style of hypnotherapy.

"Through HypnoCoaching and RTT hypnotherapy, we at Divine Spark aim to help our clients dispel hard-wired negative behaviors and create positive mindsets along with realistic and attainable plans and goals for the future," the company's rep stated. "People looking to find relief from depression, anxiety, feeling stuck, and other factors that affect the mental growth and overall well-being of an individual can get in touch with us," they added.
