

# Traders Union Crowned as the Best Financial Trading Portal In Europe

*Traders Union wins the 'Best World Financial Trading Portal in Europe 2023' for unique trading, forex and financial tools.*

DUBAI, DUBAI, UNITED ARAB EMIRATES, August 1, 2023

/EINPresswire.com/ -- [Traders Union](#), a financial portal and a global financial online trading provider, is awarded as the '[Best World Financial Trading Portal In Europe 2023](#)' by International Business Magazine for their unique trading, forex and financial tools.

Any beginner to the Forex Trading will be in constant lookout for a reliable broker and navigating through

competitive and crowded Forex and Trade Markets is an arduous job. Traders Union sorts all this out and lists out the best brokers for Forex Trading with its expert advisory and consulting unit.

“

Traders Union has a wide range of tools and contents for all the traders across the globe. We have a decade long experience in empowering traders with the best market insights and analytics.”

*Olena Litvinenko, CEO of Traders Union*

Traders Union's broker and exchange comparison feature is a valuable tool for traders and investors to help them choose the best financial partner for their trading and investment needs.

Traders Union (TU) has over a decade long expertise in offering a foolproof, unbiased review on Forex Brokers across the globe. It compiles a confirmed database from the Global Trading and Investment Industry. Its community has garnered over 300,000 traders and counting since its inception in 2010.

TU's universal team comprises of numerous active traders, analysts, and financial experts who analyze market events, evaluate brokerage companies, publish financial market news, and offer educational materials and trading strategy reviews. TU also aids in round the clock assistance such as free stock trading lessons, choosing broker and factors

pertaining to getting hold of particular broker, trading conditions and more.

Trade Union offers flexible access to more than 500 plus global trade firms through their creative operational modules. It comes with a separate rating system specifically for cryptocurrency exchanges. These ratings are constantly updated and are based on trading conditions, liquidity levels, professionalism of the support service and traders' reviews. TU has also made provisions for [free legal support](#) and a referral program. It also promotes individual traders by conducting trading contests over virtual accounts every month for real prize money.

TU portal caters to a wide distributive channel ranging more than 15+ languages that includes Polish, German, French, Portuguese, Spain and more. TU has also added new stock data and forecasting tools like key fundamental data that comprises net income, dividend yield, gross profit, and more. These essential metrics offer a comprehensive view of a company's financial health and performance. They also provide insights from reputable analysts regarding profit growth expectations for various stocks.

Traders Union's broker and exchange comparison feature is a valuable tool for traders and investors to help them choose the best financial partner for their trading and investment needs. This includes information about regulation, account types, commissions, spreads, available markets, trading platforms and other key features.

Madhusmitha V Patil, Chief Editor for International Business Magazine shares his observations,

Traders Union provides comprehensive view of a company's financial health and performance.

Traders Union's broker and exchange comparison feature is a valuable tool for traders and investors to help them choose the best financial partner for their trading and investment needs.

“International Business Magazine’s jury members were quite impressed with the education tools and the content generated by diverse spectrum of Editors, Authors, Analysts, Sales and other experts catering to almost a wide spectrum of Traders across the globe. TU deserves a huge applause as its platform also features and credits the best forex and other Trading platforms based on their accountability and accessibility.”

Olena Litvinenko, CEO of Traders Union, expresses her delight, "We are grateful for this honor and we are happy that International Business Magazine has recognized us and even rewarded us as an exceptional organization. We are happy with this accomplishment and grateful that International Business Magazine recognized our operations and efforts. We have dedicated almost a decade to bring forth the most foolproof and unbiased data for new traders to trade with the forex players.”

## Traders Union

Traders Union is a financial portal providing traders and investors with necessary information to make their endeavors in the financial markets profitable. Our mission is to build a space where traders and investors can quickly find information about the best brokerage companies that offer the most beneficial and comfortable working conditions in the financial markets.

Traders Union was established in 2010 with a simple idea: To provide complete and unbiased reviews of international forex brokers and create exceptional content about the global trading and investment industry.
