*Stephanie Brazer, Author of  
The Cam-Mac Adventure  
Express*

With a BIG imagination and some help from his brother, Mac, Cam takes the Royals of Concord on a magical journey.

“Parents will love this heartfelt and beautifully illustrated story that encourages children to use their imagination and conquer their fears!”—Stacy A. Padula, award-winning author.

"Since my boys are no longer here to make a name for themselves, I am always seeking opportunities to carry their name on for them. My husband had come up with the name 'The Cam-Mac Adventure Express' while we were brainstorming nicknames for a carousel horse we adopted in their honor and I thought that sounded like a great title for a book," said Brazer. "So, I let my imagination run wild while writing this story, incorporating our love of travel with the love we have for our sons. I hope children and adults alike, enjoy cruising along with Cam and Mac as they discover there is no limit to what can happen when you use your imagination!"

The Cam-Mac Adventure Express Is illustrated by Natalie Sorrenti.

#### About the Author:

After fifteen years in television production, Stephanie Brazer took off her headset and picked up a notepad and pen. Always inspired by the power of a good story herself, she dreamt up The Cam-Mac Adventure Express, creating a fun and entertaining way to honor her sons in the process. When her nose isn't in a book or behind the camera, Stephanie loves traveling with her husband and hiking with their two dogs.
