

10 Great Reasons to Join the Next Generation Pharmaceutical Cleanrooms Conference

SAE Media Group reports: Next Gen Pharma Cleanrooms Conference to provide delegates the opportunity to explore changes that cleanroom industry is going through.

LONDON, LONDON, UNITED KINGDOM, August 28, 2022 /EINPresswire.com/ -- SAE Media Group proudly presents the [2nd Annual Next Generation Pharmaceutical Cleanrooms Conference](#), taking place on 5 and 6 October 2022, in London, UK.

The [2022 two-agenda agenda](#) will highlight the key drivers and overarching challenges of the industry, making this one of the most important places to be for pharmaceutical CMC and manufacturing. The conference will focus on four key themes:

1. Annex 1 and the upcoming GMP changes
2. Improving cleanroom accessibility and efficiency
3. Adaptable cleanroom design
4. Cleanroom validation

Delegates will have the opportunity to listen to insightful case studies across the four themes, uncovering key developments and the future of pharmaceutical cleanrooms.

2nd Annual Next Generation Pharmaceutical Cleanrooms Conference
Advances in Pharma 4.0 for an improved, efficient and contaminant-free cleanroom
