Exemplifi announces partnership with managed hosting platform Pantheon

PALO ALTO, CALIFORNIA, UNITED STATES, August 29, 2022 /EINPresswire.com/ -- Exemplifi, a leader in [enterprise website](#)

development and management, has partnered with Pantheon, a leading SaaS provider that supports and builds high-impact global websites since 2010.

“We have been building [enterprise websites](#) for some time now and are already an established multi CMS development firm ranging from WordPress, Webflow to Drupal, Magento and more. With our specific expertise in WordPress and Drupal, we felt that Pantheon was a great fit to partner with and synchronize both our capacities to deliver the best results for our customers.” said Vinod Pabba, Founder of Exemplifi. “Only companies that have a proven record of [WordPress and Drupal enterprise website](#) experience, which includes development, design, migration and maintenance are approached by Pantheon for a partnership.”

He continued, “We build, redesign and manage websites that work at the highest level of performance, security, and uptime. With Exemplifi as an official Pantheon Partner, we can provide our clients with a fully managed, secure, flexible and cost-effective hosting solution.”
