

AI Exosphere Team Marks 100 AI No-Code Skills In The Satellite Writer Playground

AI Exosphere team marks 100 AI no-code skills in the Satellite Writer Playground. Another milestone achieved and planning the launch.

ORLANDO, FLORIDA, UNITED STATES, August 29, 2022 /EINPresswire.com/ --

Over the past year, the team has been hard at delivering the rendition of the [HailyAI](#) writing skills. The company's mission is to bring an AI business assistant to market. The company initially claimed its model would be

able to field live sales calls, manage inventory, conduct banking, and crypto transactions, and be completely voice-activated.

“

We always strive to deliver more. With triple generation, no charge for the input and now 100+ skills.”

use dashboard.

The Playground Dashboard offers a simple interface that allows users to say or type commands and get complete AI content generations for the specific use case (skill) selected.

The platform also provides images and audio files of the content.

This creates fantastic works for blogs, videos, social media, and more.
