

Cathy Ross speaks at Amazon Web Services' Startup CxO Roundtable

The co-founder and President of Fraud.net shared her expertise with a panel of industry leaders.

NEW YORK, NY, UNITED STATES, August 29, 2022 /EINPresswire.com/ -- Cathy Ross, co-founder and President of Fraud.net, a leading fraud solution provider, recently spoke on the invite-only Amazon Web Services' Startup CxO Roundtable at the AWS Startup Loft in downtown New York City.

Hosted by Nancy Wang, founder of Advancing Women in Tech and AWS GM of Data Protection, the Startup CxO Roundtable consists of executives from fast-growing AWS startup customers. Panelists share their challenges, solutions, and breakthroughs within their businesses and how they leverage AWS technologies for success.

Fraud.net co-founder Cathy Ross shares, "I am ecstatic to be selected for this panel and to share our company's insights and successes while using AWS technologies. I hope that our audience enjoyed the discussion and learned some new ways to leverage this stack and that our company continues this great relationship with AWS."
