“

We are honored to receive so much recognition from our community for the work that we do”

Facial Lounge Founder & Expert Esthetician, Amber Rose Johnson

Facial Lounge is the birthplace of the Custom Signature Vegan Facial that has helped hundreds of thousands of clients with a distinctively personalized, holistic approach to an effortlessly gorgeous complexion. Their facials cater to all skin types from acne to aging and anything in between, all ages, all ethnicities, and all genders. Clients love to elevate their facials by adding LED Blue Acne Light or the anti-aging LED Red Light, which are both great to do after deep clean extractions. The deeper exfoliation elevations include microdermabrasion and dermaplaning,

great for getting red carpet ready.

“We are honored to receive so much recognition from our community for the work that we do,”

shares Johnson. "With this newest location, right in the middle of LA and San Diego, near the John Wayne airport. We can serve our clients with easy access while sharing our innovative, natural approach with more people."

With 25+ years of in-depth industry experience, Johnson leads a compassionate, expert team of professionals who share a commitment to toxin-free, planet-first skincare formulations that naturally treat everything from acne to anti-aging. At their brand new Costa Mesa spa, clients can find themselves immersed in an elevated Tulum tropics-inspired atmosphere curated by dynamic local Interior Designer Nicholas Felix. Local female artist, Catherine Spinowitz, imparts a modern uplift with a one-of-a-kind Facial Lounge logo design wall at the entrance. Her "Salt & Sky" textile art is inspired by nature, organic, and made from recycled materials using a combination of clay and acrylic paint. Check out her artwork on her Instagram @catherinespinz Come enjoy some relaxation at this instagrammable location which has a speakeasy waiting room and amazing skincare to shop from.

An expansive space with nine boho treatment rooms allows ample areas for relaxation and rejuvenation, including a thoughtfully designed double room ideal for partners, mother-daughter, or "best friend day date" treatments. Johnson's next big move: a signature line of skincare unlike anything else on the market - like hormonal acne formulations and more - with essential moisturizing nutrients. Amber has been a board member of the Susan Samuelli Center for Integrative Medicine for 16 years and is constantly learning about new studies on anti-aging and continually evolving her skincare line and facials to be ethical, environmental, and effective.
